Government College of Engineering, Aurangabad

CGPA : 8.375

Class 12 (HSC)- 2020
Tanwani Junior College, Aurangabad

Percentage : 73.7%

Class 10 (SSC) - 2018
Rose Buds English School,Aurangabad

Percentage : 94.4%

PROJECTS

Note Stack –
- A personalized notes taking web-application made with React.js , Node.js, Express.js and MongoDB as Database. (End-to-end MERN stack project)
- Leveraged Node.js and Express.js to build a robust and scalable back-end API, ensuring seamless data management and server-side logic.
- Designed and implemented a user-friendly interface using React.js, enabling intuitive note creation, editing, and organization.
- Resolved 50+ bugs during the development of Note Stack, improving overall stability and user experience.

News BOX –
- Created a dynamic news website, that aggregates live news feeds from around the world, categorized for easy exploration.
- Integrated the News API to fetch real-time news articles across various topics and regions.
- Implemented user-friendly features like category filtering, search functionality, and news article details pages.

Portfolio Website –
- Designed and built a personal portfolio website to showcase my skills and experience.
- Utilized HTML, CSS, and JavaScript for an engaging and responsive front-end experience.
- Integrated Express.js and Node.js for dynamic content and server-side functionality.
- Implemented a MongoDB database to securely store and manage visitor messages.
